

The Joyce Foundation

Tuesday, 11 September 2007

The Joyce Foundation is a liberal, charitable foundation that, among other things, funds gun control groups. According to Wikipedia :Since 2003, the Joyce Foundation has paid grants totaling over \$12 million to gun control organizations and for research into gun violence prevention. The largest single grantee has been the Violence Policy Center, which received \$4,154,970 between 1996 and 2006, and calls for an outright ban on handguns, semi-automatic and other firearms, and substantial restrictions on gun owners.

Conveniently, the Joyce Foundation has a list of the gun control funding grants here .

The Joyce Foundation's Annual Reports list Barack Obama as one of the 12 members of the Board of Directors from 1998 until 2001 .
